2. Step-by-step description of the selection process:

2.1. **Qualifying Events**: Qualifying scores for the Event may only be earned within the qualifying period, which begins July 28, 2026, and ends June 28, 2027, unless USEF has otherwise indicated a change to the qualifying period prior to by February 3, 2027 ("Qualifying Period").

- **USEF/NAYC Qualifying Competitions (CDNs):** A series of competitions held throughout the U.S. have been designated as USEF/NAYC Qualifying Competitions. A list of these designated USEF/NAYC Qualifying Competitions is available on the USEF website: https://www.usef.org/compete/disciplines/dressage/dressage-championships---national--fei/north-american-youth-championships or by contacting the USEF Dressage Department. However, a combination cannot earn a score in a national Qualifying Competition if their respective CDI division is also offered at the same event.

- **CDIs:** Athletes may also earn qualifying scores at any CDICh, held within the United States or any other country that offers the FEI Children Tests within the designated qualifying period. CDICh scores are calculable at the option of the athlete and will only be computed into the athlete/horse's overall average upon receipt of a USEF CDI & Championship Report Form within the specified deadline stated on the form. Scores submitted late will not be accepted. It is the sole responsibility of the athlete to ensure that qualifying CDI scores for this program are accurately presented to USEF and on time

- **USEF Children National Championships:** Scores earned at the 2026 USEF Children Dressage National Championship can be used as optional qualifying scores and are reportable under the same rules as a CDICh, if within the qualifying period.

- Scores from the 2026 FEI North American Youth Championships may not be used toward qualifying for the 2027 NAYC.

2.2. Qualifying Tests

FEI Children division: the FEI Children Team Test (current edition), FEI Children Individual Test (current edition), and FEI Children Preliminary B Test (current edition), must be used for qualification for the NAYC.

2.3. **Qualifying:**

- An applicant athlete/horse combination must earn at least one (1) score in the FEI Children Preliminary B Test, at least two (2) scores in the Team Test, and at least two (2) scores in the Individual Test in qualifying competitions to be eligible for nomination to a Region's team.
- Scores must be attributed by a panel of two (2) or more USEF 'S' or FEI Judges, in the Team Test and Individual Test. Scores may be attributed by at least one (1) USEF 'R', USEF 'S' or FEI Judges, in the Children Preliminary B Test. Athlete/horse combinations will not receive a '0' if they choose to not complete the Team or Individual Test in a qualifying competition.
- One (1) Team Test and one (1) Individual Test must occur during the spring season (January 1, 2027 through June 28, 2027), unless otherwise determined no later than February 3, 2027.
- The Team and Individual tests must be held as individual classes, which are specifically designated as NAYC Qualifying or USEF/NAYC Qualifying.
- Athletes must report their Preliminary Test B score by using the USEF CDI & Championship Report Form no later than the end of the qualifying period.
- For calculation purposes, the athlete/horse combination's overall average score will be determined by averaging the scores earned in the Team with the scores earned in the Individual Test from designated qualifying classes.
- "Test of Choice" (TOC) will not count for Individual or Team Tests. "Test of Choice" (TOC) classes will only be allowed to count for the FEI Children Preliminary B Test. Preliminary B Tests completed at a CDN must be officiated by a minimum of one (1) USEF 'S' or FEI Judge.
- Competition(s) held over the course of more than one day count(s) as a single qualifying competition (even if each day has a separate competition license number) and only the designated qualifying tests count.
- **Conflict of Interest**: Judging Panels at CDI Events will refer to the FEI Dressage Regulations for Judge Requirements and Codex for Judges, Judging Panels at USEF National Licensed Competitions will refer to the USEF Chapter 13, GR1304, and all competitors and officials are subject to the conflict-of-interest rules at USEF Licensed Competitions as outlined in the USEF General and Dressage Rules.
- **Drop Scores:** If an athlete/horse combination completes three (3) or more Team Tests, the lowest score earned in the Team Test will be dropped. If a combination completes three (3) or more Individual Tests, the lowest score earned in the Individual Test will be dropped. Only one (1) score will be dropped from the Team Test and only one (1) score will be dropped from the Individual Test. All remaining scores will be used to calculate each combination's overall average.
- USDF will automatically track scores for athlete/horse combinations that are earned at designated USEF/NAYC Qualifying Competitions (CDNs). CDICh scores and scores from the 2026 USEF Children Dressage National Championship as noted in the Selection Procedures above will NOT be automatically calculated into the athlete/horse's overall average without

receipt of a CDI & Championship Report Form within the specified deadline stated on the form.

- Percentages are carried out to the third decimal point with numbers of five (5) and above rounded up (63.4555%=63.456%). It is the responsibility of the athlete to verify the accuracy of the standings posted on the USDF website. USDF is not responsible for inaccurately reported or illegible scores. If any errors are detected, athletes are encouraged to contact the USDF office immediately at (859) 971-2277 or nayc@usdf.org. Errors must be reported no less than five (5) business days prior to the NAYC nominated entry deadline as published in the FEI Definite Schedule.
- At the end of the Qualifying Period, any ties in overall averages on the final ranking list will be broken according to the athlete/horse combination that achieved the highest overall average of the FEI Team Test scores.
- **Foreign CDN Competitions:** U.S. Citizens wishing to earn qualifying scores in CDN competitions outside the United States (national competitions outside the United States) must submit a written request to nayc@usdf.org. This request should be received at least two (2) weeks prior to the first day of competition and requires approval by the USEF Dressage Sport Committee or its designees. If approved, athletes are responsible for reporting scores to nayc@usdf.org using the CDI & Championship Report Form within five (5) days of the conclusion of the competition.
- Regions may not impose additional selection requirements upon declared athletes or horses without appropriate approval from the USEF Board of Directors or Ad Hoc of the Board of Directors.

2.4. Certificate of Capability

- In addition to the above outlined qualifying test, athlete/horse combinations will also be required to earn a Certificate of Capability within the Qualifying Period which begins July 28, 2026 and ends June 28, 2027, unless otherwise determined by no later than February 1, 2027.
- Each athlete/horse combination must earn a Certificate of Capability by attaining a minimum overall average of 62.000% on the final ranking list.
- In addition, they must earn a minimum of 62.000% or higher in the FEI Children Preliminary B test at a designated qualifying competition. The FEI Children Preliminary B Test must be earned in an FEI Children Preliminary B class or an FEI Test of Choice class. The Preliminary B test may be judged by one judge who is placed at C. For the placement of judges for the FEI Children Tests, please review the memo here.

2.5. **Special Rules pertaining to Dress, Saddlery, Schooling & Warm-up at Qualifying Events**:

- **Dress & Saddlery**: Please refer to USEF Rules for dress and saddlery requirements (DR 120-121) if competing in a USEF/NAYC Qualifying Competition or FEI Dressage Regulations if competing in CDICh competitions and/or the NAYC. Exception: grooms riding on a loose rein (DR128.2.a.).

- For NAYC Qualifying Competitions held at USEF licensed Dressage Competitions, the competition starts when horse and/or athlete arrive on the show grounds and ends at the conclusion of the USEF licensed Dressage Competition.
- For NAYC qualifying classes which are included in a CDICh, per FEI Art. 422.3.6, no one other than the athlete may ride the horse they are entered with, after arrival on the show ground and official opening of the stables according to the FEI approved schedule as well as for the duration of the whole Event under penalty of disqualification (also see FEI DR Art. 429.10.4).

2.9. Declaration of Starters

Once at the Event site, and after the horse inspection, each Chef d'Equipe will declare the starting order of the athlete/horse combinations on the Team of three (3) or four (4) athlete/horse combinations in the Team Test or the Individuals (maximum of two (2) per Region unable to field a complete team) in accordance with the FEI Dressage Rules.

Any committee members who has an actual, possible, or perceived conflict of interest must disclose it to the USEF Legal Department and USEF Audit Committee prior to the start of the selection process and/or recuse oneself from the review process and/or voting. A conflict of interest exists when a personal, family, financial, professional, club, team or business interest of the committee member poses a direct or indirect relationship, connection, or affiliation, past or present, with an Athlete or Horse in contention for the applicable team selection that could compromise the committee members' ability to participate in the selection process in an unbiased manner. If a conflict exists, the USEF Legal Department and USEF Audit Committee shall review the conflict and determine the committee member's level of involvement (e.g., whether that committee member must recuse oneself from participating in discussions and/or voting). For example, if it is determined that a committee members must recuse oneself from voting, the Audit Committee may still determine that a Selector who has relevant and necessary information with respect to athlete performance, for example a team coach or high performance director, may, if requested by the committee members, provide such information to the committee members so long as such information is provided in a fair and unbiased manner and so long as the committee member with the conflict of interest does not participate in the deliberation or vote toward the final decision. The committee member must not otherwise influence other committee members in the selection process. Additionally, any person (including any potentially impacted Athlete, owner, or coach of a potentially impacted Athlete or Horse) with a good faith belief that a committee member has a conflict of interest may report the alleged conflict of interest to the USEF General Counsel and/or the USEF Audit Committee. Reports may be made anonymously. No committee member shall retaliate in any way against a person who, in good faith, reports an alleged conflict of interest. Any recused individual shall be replaced in accordance with the USEF selection committee appointment process.

- Detection of a Prohibited Substance in the horse (see below).
- Failure to adhere to all World Anti-Doping Agency ("WADA"), FEI, USEF, and/or U.S. Anti-Doping Agency ("USADA") anti-doping protocols, policies or procedures regarding athletes and horses, including participation in required Out-of-Competition testing.
