RE: Updated Selection Trials for the 2023 Pan American Games Applicants

Dear Potential Eventing Applicants for the 2023 Pan American Games,

Please be advised that the following events may be named as USEF Selection Trials for the 2023 Pan American Games. The designation is subject to the final approval of the USEF Board of Directors and the United States Olympic and Paralympic Committee.

The 2023 Pan American Games will take place in Santiago, Chile. The Eventing portion of the Games will run October 27-29, 2023.

The final list of Selection Trials will be published as part of the approved Eventing Selection Procedure for the 2023 Pan American Games. Additional events may be added. Notification of any additional events will be communicated to potential applicants no less than 30 days prior to the start of the competition.

Any rider wishing to use a European CCI3*-L or CCI4*-L as a Selection Trial must make the request in writing to the Gemma Stobbs (gstobbs@usef.org) no less than 30 days prior to the start of the competition.

The 2023 Pan American Games will run at the CCI3* level for the cross-country test and at the CCI4* level for the dressage and jumping tests. With this consideration, an additional qualifying result (MER) is required at a CCI4*-S or a USEF Advanced Horse Trial for Athlete/Horse combinations that have only completed a CCI3*-L between January 1, 2022, and July 25, 2023.
