USEF Endurance Career Horse Mileage Recognition

Awards given to the owner of the horse that meets the above mileage recognitions. Horses must be recorded with the USEF and owners must be active competing members
in good standing of the USEF. Awards only eligible for horses owned by U.S. citizens/Permanent Residents/Green Card Holders. Career mileage met during the USEF year (December 1st-November 30th) will be recognized by an award following November 30th. All USEF competition results and FEI competition results for U.S. Horses and Athletes will count towards career mileage awards. Each career mileage recognition award will be awarded at the following mileage once per horse or athlete in their lifetime:

- 250 miles
- 500 miles
- 750 miles
- 1,000 miles
- 3,000 miles
- 5,000 miles

Athletes and/or owners may request to recognize their or their horse's career mileage from AERC or EDRA competitions being held prior to December 1st, 2023. These requests should be sent by email to the USEF Director of Endurance and will only be accepted until September 1, 2024. Requests will be verified by AERC or EDRA competition records.

While every effort is made to ensure accuracy of the information displayed, USEF assumes no liability to anyone for errors or omissions. Any errors or omissions must be brought to our attention (nzerbee@usef.org) by no later than December 8, 2026.
